

Relax, Enjoy And
Improve Your Health...

Seaborn®

Every born is a future...

Seaborn industries is based in Morbi city of Gujarat, India. Seaborn is a market leader in massage bathtubs, acrylic bathtubs as top quality.

Our goal is to provide our customers with better quality develop together, grow together and win together. these are the goals we are going to share.

High quality is our fundamental philosophy. we pursue providing the best quality acrylic material. we inspect carefully all products in matter of quality before selling. Our all products are very comfortable in use. We manufacture large range of design. We have confidence that if you choose our any product then you will fully satisfy. Please check our original sign of seaflow which is given below.

Quality management system has been introduced to seaflow to strictly control each manufacture process and enhance product quality continuously, and also improve service quality, and expand seaflow popularity and strengthen client's satisfaction. Adapting it self to fierce market competition, the company always held on such brand target as "new experience of pleasant life" and business core "good faith, high quality and best service". Relying on its professional sales team and sales network spreading the whole world, it will provide society and consumers with high-quality products and create much better life.

Seaborn is being used by high profile companies and people who have taste for luxury, comfort and style. Like star hotels, high profile buildings, bungalows, residences and spa centre. Seaflow meets the demand and quality of international standards.
